

LIST OF FIGURES

Figure		Page
1	Comparison of NC and FARS 'Heavy Truck' Fatal Crash Counts for the Period 1995-1999.....	4
2	A Comparison of Fatal Heavy Truck-Involved Crashes in North Carolina and the US for the Period 1995-1999.....	5
3	Percent Change in the Number of Heavy Truck-Involved Fatal Crashes Relative to 1995: A Comparison of North Carolina and The US Overall 1995-1999.....	6
4	Average Percent of NC Fatal Heavy Truck-Involved Crashes as a Function of Month of the Year.....	7
5	Percent of Heavy Truck Fatal Crashes in North Carolina as a Function of Day-Of -the-Week.....	7
6	Average Percent Fatal Crashes Involving Large Trucks in North Carolina By Hour of the Day.....	8
7	Fatal Crashes by Year, by Enforcement District 1995-1999.....	13
8	Severity of Injury Incurred by Truck Driver 1995-1999.....	14
9	Distribution of Gross Vehicle Weights (GVW) for Large Trucks Involved in Fatal Crashes in North Carolina 1995-1999.....	15
10	Percent of NC Fatal Truck-Involved Crashes as a Function of Body Type.....	16
11	Fatal Crashes Involving Single Unit High GVW Truck/Tractor Vehicle Types in North Carolina 1995-1999.....	16
12	Fatal Heavy Truck-Involved Crashes as a Function of Route.....	17
13	Fatal Heavy Truck-Involved Crashes as a Function of Road Class.....	18
14	Fatal Truck-Involved Crashes as a Function of Urban Road Class.....	18
15	Fatal Truck-Involved Crashes on Rural and Urban Interstates In North Carolina 1995-1999.....	19

16	Number of Fatal Truck-Involved Crashes in NC as a Function Of Number of Lanes.....	20
17	Increase in Fatal Truck-Involved Crashes on 4 and 5-Lane Roads In North Carolina.....	20
18	Fatal Heavy Truck-Involved Crashes in NC as a Function of Traffic Flow Control.....	21
19	Percent of Rollovers Reported as Either ‘First’ or ‘Subsequent’ Event in Fatal Truck-Involved Crashes	41
20	Truck Drivers Involved in Crashes 1995-1999: Driving and Not Drinking	42
21	Change from 1995 to 1999 in the Percentage of Heavy Truck Drivers in Each Age Group Involved in Crashes	42
22	Relative Densities of Fatal Truck-Involved Crashes in North Carolina.....	44
23	Use of GIS Crash Referencing System to ‘Cluster’ Fatal Truck- Involved Crash Locations	45
24	CMV-Involved Crashes as a Function of Population (by County)	46
25	Fatal Truck-Involved Crashes in Counties with Populations Of 100,000 or Greater.....	47
26	Fatal Truck-Involved Crashes in Counties Which Grew by More than 10 Percent over the Period 1990-1999	48
27	Fatal Truck-Involved Crashes in Counties Which Grew by More than 20 Percent over the Period 1990-1999	49
28	Representative Aerial Imagery Showing Crash Locations	50
29	Fatal Truck-Involved Crashes and Proximity to Major Trauma Centers in NC (1998)	52
30	Fatal Truck-Involved Crashes and Proximity to Major Trauma Centers in NC (1999)	53
